3. Started off [Redacted] electronics technician, who will be on temporary duty at the Language Center. He has spent most of this week at [Redacted]

STAT

4. Further check with I&S regarding the memorandum we proposed be given to every cleared, overt employee who is taking courses at any college or university or at any non-Defense Department government agency at Agency expense. This memorandum now seems to be stalled in I&S. I have made clear to [Redacted] that we shall be happy to cooperate in any further action at their request. The initiative must now come from I&S.

5. Staff meeting at Alcott Hall to iron out administrative details.
